**RE: REQUEST FOR EXPEDITED PROCESSING OF PASSPORT – OMPHEMETSE
MOSIMANEKGOMO**

Dear Sir/Madam,

We kindly request your assistance with the **urgent processing** of a passport for our employee, **Mr OMPHEMETSE MOSIMANEKGOMO**, a cross-border truck driver for **Bagamodikwa Pty Ltd**.

Mr. Mosimanekgomo's role is critical to our daily operations. As his current passport has reached its expiration, he is unable to fulfil his duties of transporting goods in and out of the country. This absence is causing significant disruptions to our transportation services and having a substantial impact on our business.

We kindly request that you prioritize his application to ensure he can resume his international routes as soon as possible. We would greatly appreciate any effort to expedite the processing of his new passport.

Please let us know if any additional documentation is required from our side to facilitate this request. Thank you for your time and attention to this urgent matter.

Sincerely,

Keolopile Steve Taolo
